## b. Mission statement

Vuna group is a story of humble beginnings. We strive to grow and be the market leader in providing the necessary services required by today's market.

## c. Values

Growth, Strength, Excellence! These are the pillars upon which the Vuna Group is built upon

## d. Business goals & objectives

Growth through building sustainable relationships with our clientele by ensuring delivering of quality products and services .

# 3. Products & Services – Vuna Group

## a. Products

Construction, Maintenance, Repairs, Plumbing, Paintwork, Tiling, Paving , Carpentry related work, Agriculture and the Supply of Goods and Services.

## b. Business competitiveness

VUNA Group is strategically positioned in the market to ensure competitiveness whilst not compromising standards. This is achieved through building formidable relationships with our suppliers, ensuring timeous provision of services.

Vuna group has a CIDB grading of 1 GB PE, 1 CE PE, 1 SO PE and 1EP PE.

### c. Farming

Vuna group has 3Hectares of arable land currently in use in Ntlonze Village, Cofimvaba , Eastern Cape. We are farming lucerne on this specific piece of land and it has proven to be a success. Though small, the farm has a very good growth outlook and is well on track with projected production outcomes.

We have recently acquired an additional 10Hectares of arable land in the same village , of which will be used for crop production on a large scale to support the local vegetable outlets and expand further as we find our feet within the market.
